COMPANY PROFILE /
ABU DHABI, UNITED ARAB EMIRATES

BUILDING WITH CONFIDENCE.

Integrated contracting, civil works, maintenance, and facility solutions—delivered **across the UAE** with a commitment to quality, safety, and reliable execution.

20+ | **YEARS OF EXPERIENCE**

One partner for projects, facilities and technical services.

MISSION

Deliver with integrity.

To provide dependable contracting, civil, MEP and facility services through skilled teams, responsible practices and consistent attention to quality, safety and client requirements.

VISION

Build lasting value.

To be a trusted contracting and facilities partner, recognised for reliable execution, technical capability, continuous improvement and long-term relationships.

OUR CERTIFICATIONS

Our operations are certified to internationally recognized standards, reflecting our commitment to quality, health & safety, environmental responsibility, and in-country value.

IN-COUNTRY VALUE (ICV) CERTIFICATE

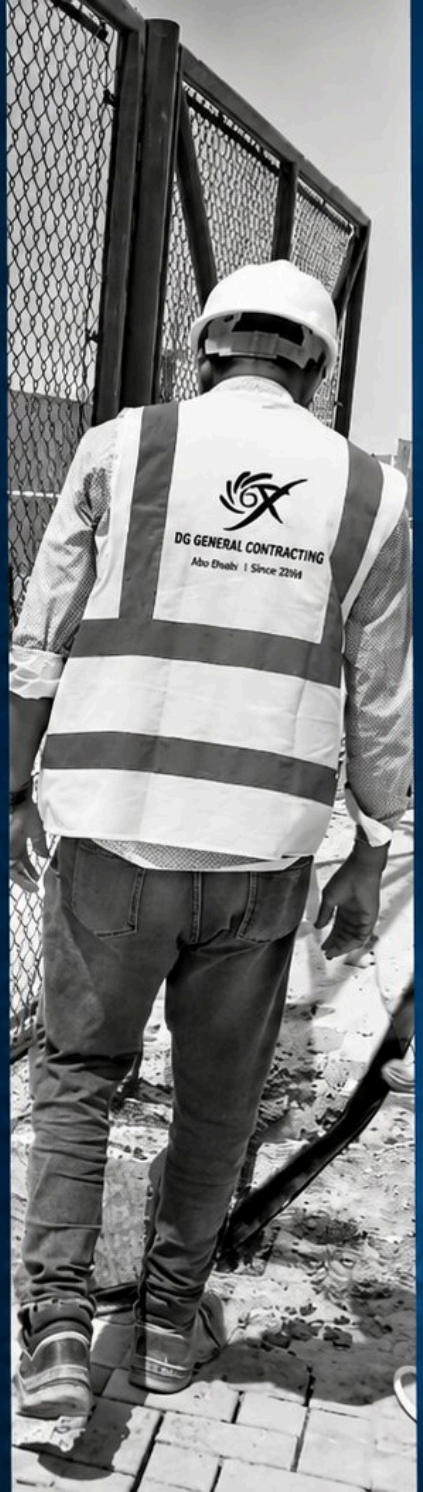

ISO 45001:2018
Occupational Health and Safety Management System

ISO 9001:2015
Quality Management System

ISO 14001:2015
Environmental Management System

SERVICE 01

GENERAL CONTRACTING

From project planning and site coordination to construction execution and handover, our general contracting team supports clients with a practical, organised approach.

SERVICE 02

CIVIL WORKS

Our civil works capability covers essential structural and external works, carried out with attention to site conditions, workmanship and project requirements.

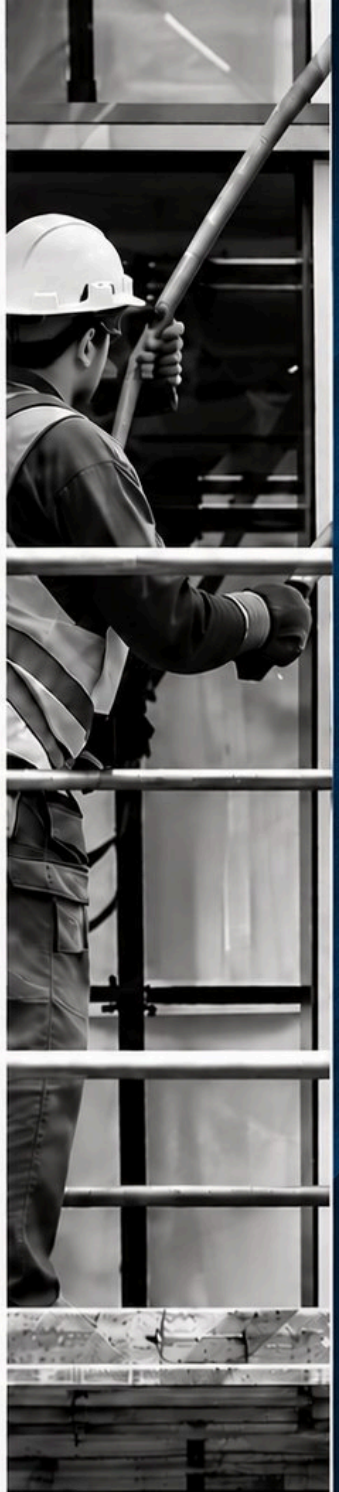

SERVICE 03

BUILDING MAINTENANCE

Planned and responsive maintenance helps protect building assets, maintain everyday functionality and support a safe, comfortable environment for occupants.

MEP MAINTENANCE & CONTRACTING

Our MEP maintenance and contracting support focuses on the reliable operation of mechanical, electrical and plumbing systems in **buildings and facilities.**

SERVICE 05

ONSHORE & OFFSHORE FACILITIES SERVICE

We support facility and infrastructure requirements in onshore and offshore environments, with an emphasis on coordination, safe work practices and dependable execution.

SERVICE 06

RENOVATION & REFURBISHMENT

We undertake renovation and refurbishment works to renew existing spaces, improve functionality and bring facilities in line with changing operational needs.

SERVICE 07

CARPENTRY & GYPSUM WORKS

Carpentry and gypsum solutions help shape functional interiors, create defined spaces and deliver neat, durable finishing details.

SERVICE 08

PAINTING, FINISHING & POLISHING

Surface preparation and finishing works are delivered with care to improve appearance, protect surfaces and create a consistent final result.

SERVICE 09

INTERIOR & FIT-OUT

Our interior and fit-out services bring together practical layouts, coordinated trades and finishing works to help transform spaces for their intended use.

HOW WE WORK

Quality at every stage.

A clear and coordinated process from first discussion to final handover.

01 UNDERSTAND

Review the scope, site conditions, priorities and project requirements.

02 PLAN

Coordinate resources, materials, schedules, access and work methods.

03 DELIVER

Execute works with attention to quality, safety and site coordination.

04 HAND OVER

Review completed work, close-out items and client requirements.
